

SOLO RACE INSTRUCTIONS

LOADING PROGRAM FROM CASSETTE: To load your program, use the standard approach. That is, rewind your tape, type the word LOAD without hitting the return key and start your recorder by depressing the PLAY button. Then hit the RETURN key and wait until you hear two beeps. If your program did not load, repeat this procedure.

SOLO RACE is a very challenging Low Resolution auto race game where you drive a race car over curvy roads and around obstacles. You are allowed only 5 wrecks at which time you must have accumulated as many points as possible. The highest known score to date is over 10,000.

To play the game, simply take Paddle #1 and line the blue dot up under the brown block and depress the Paddle Button. Good luck!
